

SURVEY OF NURSING FACILITIES

The Centers for Nursing has established a subcommittee to review the usage of Advance Practice Registered Nurses (including Nurse Practitioners and Clinical Nurse Specialists services (APRNs) within nursing facilities and to determine barriers or challenges that are being faced by the facilities in accessing physician or APRN services. We would appreciate your assistance in completing this short survey.

Name of facility:	Contact phone:
Name of person completing survey:	Contact email:

1. We currently utilize APRNs in our facility and have found that:
- a) Use of APRNs have benefitted our residents in the following ways:

- b) Some challenges in working with APRNs are:

2. We do not currently utilize APRNs in our facility due to the following:

3. We would utilize APRNs but understand they are limited in the following areas:

4. Ideally, in a nursing home setting, we would like to see APRNs do the following:

You may contact Sister Alicia Damien Lau at alau@icfsnf.com or Dianne Okumura at dokumura@hltca.org with any questions.

Thank you for your assistance.
