Honolulu, Hawai`i
November 04, 2015
Goal 1: Identify nurse leaders and potential nurse leaders.

- **Survey Nurses on Leadership Activities**
  - 2015 Nursing Relicensure Workforce Survey

  - Are you currently serving on a board or commission?
  - How many boards or commissions are you currently serving on?
  - What type of boards or commissions are you serving on?
  - Do you have a designated/appointed or elected formal leadership role?
  - If you are not engaged in a leadership role, what is the most significant barrier to participation?
2015 Results*

**Engagement in Leadership Role**

- **2016:**
  - Finalize analysis and reporting of outcomes
  - Create & disseminate Infographic of nursing leadership in Hawai`i
  - Revitalize Nurses on Boards Database

*HSCN 2015 Nurse Relicensure Survey*

Goal 2: Engage Nurses in Local Leadership Activities
Goal 2: Engage Nurses in National Leadership Activities

Department of Health’s Takamori Chosen as a Robert Wood Johnson Foundation Public Health Nurse Leader

She Is One of Just 25 Public Health Nurses Selected for Prestigious Leadership Development Program

Honolulu, HI – Joan Takamori, RN, MS, the Chief at the Department of Health, Public Health Nursing Branch, is one of just 25 nurses from across the country to be selected as a Public Health Nurse Leader (PHNL) by the Robert Wood Johnson Foundation (RWJF). She will participate in a two-year leadership development program designed to strengthen the capacity of senior public health nurses to improve population health, address social determinants of health, respond to emerging trends in health and health care, influence policy, and lead collaboration in their communities.
