Nursing’s Role in Building a Culture of Health

November 2, 2016

Mary Boland, UH Mānoa School of Nursing, Dean
Beth Hoban, Prime Care Services Hawai‘i, President
HAC Co-Leads
Landmark report:

- Recommendations to transform health through nursing
- Re-conceptualized roles for nurses
- Focal point for creating state level Action Coalitions
Areas of Focus

Education

Practice & Care

Leadership

Diversity

Interprofessional Collaboration
IOM Impact Study Findings

- Build a much broader coalition
- Ramp up diversity efforts
- Gather better data to assess and drive progress
Next Steps

- Continue to advance the IOM recommendations
- Reach out to new and diverse stakeholders to build a Culture of Health
We, as a nation, will strive together to build a Culture of Health enabling all in our diverse society to lead healthy lives, now and for generations to come.
