

Information for Continuing Education Credit

The Hawai'i State Center for Nursing is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Hawai'i State Center for Nursing designates this activity for a maximum of 1.0 contact hours.

Activity Overview:

Activity Name: The New Graduate RN Workforce in Hawaii
Activity Date: June 07, 2022-December 31, 2022.
Activity Description: This learning activity will present new data from the 2021 Hawaii Nursing Workforce Supply Survey about the new graduate RN workforce in the state. Based on the findings from a new report, the learning activity will review and use the best available data to answer the most commonly asked questions the Hawaii State Center for Nursing receives about new graduate RNs. The activity will be a presentation with opportunities for attendees to ask questions and discuss their impressions of the data with the presenter. This activity learning content is non-clinical.

Activity Type: Enduring
Activity Location: Honolulu, Hawaii; online

Program Requirements to Receive Contact Hours:

Hawai'i State Center for Nursing is committed to complying with the policy and criteria set for by the American Nurses Credentialing Center (ANCC). You must successfully complete all program requirements to receive credit for educational activities:

- Claim 100% of the activity
- Complete an evaluation form

Certificate of Completion: HSCN will provide your certificate of completion/verification of participation upon completion of the post-activity evaluation.

HSCN CNE INFORMATION

Learning Objectives:

Learners will be able to

- describe the demographic and educational characteristics of the new graduate RN workforce, and
- describe the new graduate RN job market in Hawaii.

Summary of Findings	Detail of Findings
Exempt from Identifying, Mitigating and Disclosing Relevant Financial Relationships	The learning topic is non-clinical (i.e. leadership, communication skills training). Therefore the activity is exempt from identifying, mitigating, and disclosing relevant financial interest for speakers, faculty, or planners.

Content Validation Policy:

As an ANCC accredited as a provider of nursing continuing professional development, the Hawai'i State Center for Nursing (HSCN) is committed to ensuring that accredited continuing education (1) presents learners with only accurate, balanced, scientifically justified recommendations, and (2) protects learners from promotion, marketing, and commercial bias.

HSCN commits to the identification, mitigation, and disclosure of relevant financial relationships with faculty and planning committee members with ineligible companies prior to learning activity planning and implementation, consistent with concepts outlined in the ANCC Primary Accreditation Provider Manual and the ACCME Standards for Integrity and Independence in Accredited Continuing Education. HSCN also requires that all financial or in-kind support from ineligible companies is accepted and use in a way that maintains content validity and integrity, independence from and commits to disclosing this information to learners before learning activities begin.

Faculty may not actively promote or sell products or services during accredited education.
